

Alliance Moving & Storage Partner

Alliance campuses can access moving and storage services for its employees at a considerable discount, thanks to a local moving and storage partner: [Suddath Moving & Storage](#) (Agent for United Van Lines).

Discounts & Services:

- 65% discount on full interstate tariff for traditional van line shipments
- 60% discount on full interstate tariff for “storage in transit” related items on traditional van line shipments
- 60% discount on full tariff to/from Canada
- “Binding/not-to-exceed” pricing on both traditional van line shipments and small move/containerized “snap move” shipments
- Automobile shipping is available
- Long term and month-to-month storage is available

Note: Moves must be booked through the Suddath office and the employee must contact the Portland office and identify themselves as an Alliance member.

Steps to Utilize the Above Benefits:

1. To optimize the program’s operating efficiency for all stakeholders, we ask that each institution establish a primary relocation contact from their HR Department to confirm moving and storage services and share this information with our Portland moving and storage partner (listed below).
2. The institution’s primary contact should inform Tom (contact information listed below) of the moving and storage services to be provided by the institution, prior to the future faculty/staff member arranging their move.
3. In order to receive the terms and benefits of this agreement, incoming faculty/staff seeking a quote or arranging for a move need to contact Tom directly (see below) and identify themselves as an Alliance member.
